

Questions for Caregiver Discussion

Print out and cut the questions into strips. Place the strips in a bowl or face down on the table for caregivers to take. Have caregivers volunteer to read their question and start the discussion.

Share some ways your child likes to play imaginatively.

Are there ways that you can model creativity to your child?

How does your child like to play? Are there ways we can encourage creative play?

What are some inexpensive or free games or toys that encourage imagination?

How can we encourage our children to try to find solutions after a first attempt fails?

Does your child get frustrated when what they attempt does not come out perfectly? How can we encourage creative problem solving?
