

Questions for Caregiver Discussion

Print out and cut the questions into strips. Place the strips in a bowl or face down on the table for caregivers to take. Have caregivers volunteer to read their question and start the discussion.

How can we model generous behavior in ways our children understand?

Has anyone had positive volunteering experiences in the community?

Has anyone had experience volunteering at a school or with the PTA? How was that experience?

Does your child find sharing difficult? Has anyone found ways to make it easier?

Does anyone have tips for helping our children let go of possessions?

Can you think of any cooperative games or activities our children might enjoy?
