

## Questions for Caregiver Discussion

Print out and cut the questions into strips. Place the strips in a bowl or face down on the table for caregivers to take. Have caregivers volunteer to read their question and start the discussion.

Name one way your child is ready for kindergarten (for example: social, emotional, academic, etc.).

What is your biggest concern with your child starting kindergarten?

What do you think has changed since you attended kindergarten?

How do you think you can use “I do, we do, you do” at home?

What activities at home can you practice with your child to promote independence?
