23%

Percentage of kids in Townname that do not receive a school readiness program

96%

Lorem ipsum dolor sit amet consectetur adipiscing elit Aenean ornare hendrerit

Outcomes

32

Number of Children that participated in the program (or learning activities)

18

Number of Caregivers that received School Readiness help/guidance/assistance

Impact

What did you like most about the program?

“Networking with other parents and caregivers; having input from agencies such as teachers, sheriff, fire dept. Handouts that give info on what child should be able to do at certain ages. This has been an excellent program—very enlightening—helps a great deal in getting ready to ‘launch’!”

“It was so empowering! Learning responsibility & independence was amazing!”

“That kids learn to be social, listening skills, and enjoy Ms. Kelly very much.”

“Visit from kindergarten teachers and community outreach.”
